IV. SHS Campus Principal

Dr. Slaton recommended Chris Routt as SHS Campus Principal. Mr. Mays made a motion to approve seconded by Mrs. Craig. Motion carried 5-0.

Dr. Slaton stated that SHS will have two administrators for the 2019-2020 school year. Mr Routt will be the Campus Principal in charge of both programs and his job will be to ensure the success of both programs. Mr. Cox's job will be to assist Mr. Routt in making sure that all programs at SHS are successful to benefit all students. Dr. Slaton stated that he realizes this is a monumental task and both he and Mr. Brewster will assist SHS as well. He added that they want to be clear to New Tech staff and students that both Mr. Routt and Mr. Cox will assist with all programs at both schools. Dr. Slaton said the decision to have two administrators was not made lightly and they will continue to evaluate and monitor to make sure that SHS gets all the support they need. Mr. Cox's title has not yet been determined. He said it is time that we unite

together as one campus with two programs as the former administrative structure has caused a lot of issues. They felt it was time to make adjustments at the administrative level and he had no doubt that these two gentlemen would be able to work together with everyone on campus and maintain the integrity of both programs. It will take everyone, including all staff, working together to make SHS successful.
