Mr. Brewster is very knowledgeable in the financial area as well as adding a lot to the role of Assistant Superintendent. If the board approves, Dr. Slaton would like to add another position for Director of Grants and Programs. This would take some of Mr. Brewster's Assistant Superintendent duties away to help him focus on other areas. Also per board approval, Dr. Slaton will be taking on additional duties as well to help share the responsibilities.

Mr. Best made a motion to approve items 2-4, second by Mrs. Broady. Motion carried 4-0

The board asked Dr. Slaton about the return plan for school, asking if it was still valid after having Covid cases on the rise over the past week. Dr. Slaton has been in contact with our local Health Department and as of now, there are not any changes. However, if the need arises, he is confident in the students and staff at District 2 to make any necessary changes. Dr. Slaton shared that during last school year, there were approximately 8,190 days of lost instruction by students who were quarantined because of close contact. As Covid is monitored over the next two weeks prior to school starting, Dr. Slaton will keep everyone informed as he receives information.

Corenia Hardin passed away July 12th. Coreina was a retired secretary from Lexington Elementary that served our district for 30 years. Please keep her family in your thoughts and prayers.
